artexpo NEW YORK

37+ Years of Extraordinary Art

For thirty-seven years and counting, Artexpo has been changing the way people buy and sell art. Our annual, juried expo brings the biggest publishers, galleries and collectors face to face with hundreds of established and emerging artists. In short, we're the world's largest fine art marketplace.

Hundreds of Artists, Thousands of New Works

This year, we'll host over 400+ innovative exhibiting artists, galleries and publishers from across the globe, showcasing exciting original artwork, prints, paintings, drawings, sculpture, photography, ceramics, giclee, lithographs, glass works and more—all under one roof at Pier 94.

An Annual Fine Art Destination

Each year thousands of art industry insiders flock to Artexpo New York in search of the art and artists that will shape trends in galleries worldwide.

Hosting more than 25,000 avid art enthusiasts annually, we're the largest international gathering of qualified trade buyers—including gallery owners and managers, art dealers, interior designers, architects, corporate art buyers and art & framing retailers.

2015 ARTEXPO NEW YORK MEDIA RECAP

Want to see what kind of media coverage Artexpo New York gets? Have a look at our 2015 Media Recap, which outlines our coverage in media and publications including Long Island Pulse, Examiner, Posture, WHERE, New York Magazine, Woman Around Town, NY1, Art World News and Art Business News, to name a few.

SPECTRUM miami

A juried, contemporary art fair in the heart of **Miami's Performing Arts District** featuring an international slate of artists and galleries. It's where contemporary meets extraordinary. **Join us for a 5-day fine art experience, featuring music, entertainment and other special events.**

Spectrum Miami will take place in the Arts & Entertainment District, alongside Red Dot Art Fair. Taking place during the powerhouse Miami Art Week with top crowd-pulling shows like Art Basel, Art Miami, Scope, and Miami Project, Spectrum provides dealers with access to thousands of innovative works and brings top talent to Miami's arts-friendly district right between Midtown and Downtown.

Each December, art lovers flock to Art Week Miami by the thousands. In an interview with CBS Miami last December, West Palm Beach art dealer Ryan Ross said, "It's just non-stop traffic from start to finish.... [There's] a real positive, positive thing going on and lots of money being spent in the fine art sector right now."

With every passing year, there are more and more art-fueled events, ancillary fairs, parties, dinners, and VIP previews during Art Week Miami. Last year, Art Week Miami drew in 100,000 attendees, and Spectrum Miami will benefit from its location—right next to Red Dot Art Fair and in close proximity to Art Miami and CONTEXT."
